B R Darur First Grade College, Harugeri, Karnataka	2023 – 2026
Bachelor of Computer Applications (BCA)	CGPA: 8.75
Government PU College, Kokatnur, Karnataka	2021 – 2023
Pre-University Course	

PROJECTS

Online Food Ordering Management System **PHP, MySQL, HTML, CSS, JavaScript**

- Built a full-stack food ordering application with user authentication, menu browsing, and cart/order management.
- Implemented a PHP–MySQL backend with a responsive, user-friendly interface and delivered the solution based on end-to-end requirements.
- Live Demo:** online-food-order-ms.free.nf

AI Image Detection Website **HTML, CSS, JavaScript**

- Designed a responsive website demonstrating AI-generated image detection concepts while applying analytical and problem-solving skills.
- Live Demo:** ai-img-detector.vercel.app

Personal Portfolio Website **HTML, CSS, JavaScript**

- Created a responsive portfolio website showcasing projects, technical skills, and academic achievements across different devices.
- Live Demo:** jakii-portfolio.vercel.app

INTERNSHIP EXPERIENCE

Full Stack Web & Mobile Application Development Intern **3 Months**
Local View Tech Private Limited

- Developed responsive web and mobile applications by understanding business requirements and converting them into functional technical features.
- Assisted with database management, testing, and debugging to deliver reliable solutions within project timelines.
- Collaborated with the development team while demonstrating teamwork, leadership, and time-management skills in a fast-paced environment.
